Official Statement

The Smyrna School District, out of an abundance of caution, placed Sunnyside Elementary School on a modified lockdown today due to police presence in the area. Students and staff moved freely around the building with limitations in place for anyone entering or exiting the building. As always, we work closely with the Smyrna Police Department to ensure all appropriate safety measures are taken. We thank the Smyrna Police Department for their partnership in keeping our community safe.

The Smyrna School District does not discriminate in employment, educational programs, services, or activities based on race, color, marital status, creed, religion, national origin, gender, age, genetic information, sexual orientation, gender identity, disability, or any other protected category or status in accordance with state and federal laws.

Inquiries should be directed to the District Superintendent.
