

Spotlight on Smyrna High

Dear Parents/Guardians:

As the 2021-2022 school year progresses, you and your child will be making the important decision about which high school to attend in the fall. Smyrna High School provides a strong academic curriculum, which prepares our students for the future. We offer a College Preparatory and Honors curriculum, as well as 17 Advanced Placement (AP) and 15 Dual Enrollment courses. Students can also choose from over 20 different Career Pathway options.

The Smyrna High School counselors, administration, and instructional staff invite all eighth grade students and 2 adult guests to attend our **Spotlight on Smyrna High** event on **January 27th**. While taking a tour, you will be able to speak to students and staff about our academic and extra-curricular programs. We are excited to show you all of the great opportunities Smyrna High School has to offer!
