## **Smyrna School District Policy on Hazing**

The Smyrna School District Athletic Program will not tolerate or condone any type of team or individual initiation that could be considered intimidation, bullying or hazing. Any infraction of this policy will result in disciplinary action. The administration in conjunction with the Athletic Director and coach will review such issues utilizing proper due process and appropriate action will be administered.

Each head coach of each sport must review his/her expectations concerning this policy with parents and athletes before each sport season.
