

Important Message

From Smyrna School District

Transportation Supervisor

Tuesday, September 6, 2022, is the first student day of school in the Smyrna School District.

To ensure that your student will be assigned to the correct bus at the correct location, please contact the school he/she will be attending by Friday, August 12, 2022 with any changes in regard to daycare location, contact numbers, or your physical address. Currently, your student is assigned to his/her bus route based on last year's student information. Late changes/registrations may result in a delay of your student's bus assignment the first week of school.

Students at Smyrna High School who purchase a parking pass will not be assigned a bus. However, in emergency situations they can ride a bus provided there is seating available and prior approval (24 hours advance notice) is in place. If such a situation arises, the parent/guardian should submit a written request to the main office of Smyrna High School. Thank you as always for your support of the Smyrna School District.
